17.2: Relationships to support the goals

17.2.5: Collaboration with NGOs for SDGs .

1- Strengthening Relations with Civil Society Organizations

Recognizing the importance of partnerships with civil society organizations and reaffirming its commitment to environmental sustainability and its role in promoting community awareness, Al-Mustaqbal University, in cooperation with the Together Association for the Protection of People and the Environment (NGO), organized the Future Ambassadors Forum for Sustainability and Soil Protection, coinciding with World Soil Day . The event was held following the signing of a Memorandum of Cooperation with the Together Association for the Protection of People and the Environment.

2- Launching the Activities of the Al-Mustaqbal Forum for Civil Society Organizations and the Private Sector within the Third International Al-Mustaqbal Week for

Sustainability, The forum featured two panel discussions addressing innovation in the productive and service sectors, and the role of civil society organizations in social and environmental development, alongside presentations of outstanding success stories. The activities also included cultural and artistic performances, as well as educational initiatives presented by primary school pupils to promote sustainability awareness among younger generations.
