[Career Development Center \(CDC\)](#) at Al-Mustaqbal University supports the establishment of financially and socially sustainable businesses. The center provides small business owners with practical guidance, including solutions to production challenges, administrative facilitation, and feasibility studies. Through mentorship programs, training workshops, and access to university resources, CDC helps entrepreneurs develop the skills and knowledge needed to grow successful and responsible enterprises.

CDC focuses on developing students' skills for their chosen fields by addressing both technical and soft skill growth. Students receive guidance in identifying relevant electives, professional certifications, and online courses to strengthen their technical expertise. At the same time, the center fosters [leadership](#), [teamwork](#), problem-solving, communication, and time management abilities. Experiential learning opportunities, such as internships, co-op programs, research assistantships, [community projects](#), and participation in entrepreneurship or innovation competitions, further prepare students to excel in their careers and contribute effectively to society.
