SDG1:
No Poverty

1.3.5: Does your university as a body have schemes to support poor students from low or lower-middle income countries (e.g. offering free education, grants)?

Al-Mustaqbal university is committed to enhancing educational opportunities for students from low-income countries through several pioneering initiatives as illustrated below: -

https://uomus.edu.iq/InternationalPortal/index

Scheme	University evidence
Full and partial scholarships	The university's 2024–2025 guide describes tuition-funded opportunities through Study in Iraq.
Accommodation support	The guide identifies accommodation for international students among the benefits offered.
Support for economically disadvantaged international students	Previously published SDG 1.3.5 reports describe financial assistance and additional support for students from other countries.
International scholarship policy	A university policy dated 22 July 2026 provides for scholarships covering tuition and accommodation and other international academic grants.
Admission and academic guidance	The Study in Iraq Unit facilitates international admissions, registration, and academic and administrative support.

It has established a program aimed at providing free scholarships for foreign students from these countries, which helps alleviate their financial burdens. This program is implemented through a main portal affiliated with the Iraqi Ministry of Higher Education and Scientific Research, called "Study in Iraq." More details can be found through
