SDG1: No Poverty

1.3.3: Does your university as a body provide support (e.g. food, housing, transportation, legal services) for students from low income families to enable them to complete university?

Low-income student support

1- Al-Mustaqbal University provides free transportation services through modern buses specifically for eligible students from low-income backgrounds, ensuring convenient and timely access to the university.

The program aims to enhance the health of the local community by ensuring access to quality dental care for the largest possible number of beneficiaries. It also contributes to raising health awareness and strengthening preventive practices against oral and dental diseases.

3- Distribution of student supplies to low-income families.

In addition, there are a lot of initiatives that support students :

- **The "Amal" (Hope) Initiative :**Launched by the Department of Artificial Intelligence under the directive of the university presidency, aiming to provide care and support for students
