17.2: Relationships to support the goals

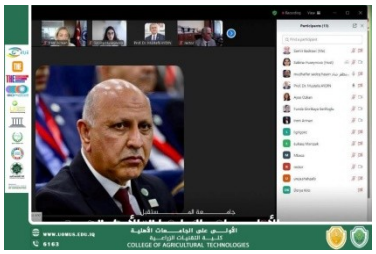

17.2.3 International collaboration data gathering for SDG

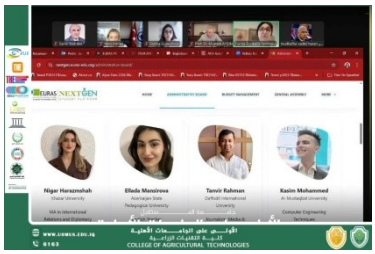

1- Al-Mustaqbal University Participates in the Sixth Regular Meeting of the Board of Directors of the Eurasian Universities Union (EURAS)

As part of the Presidency of Al-Mustaqbal University's efforts to broaden the horizons of academic cooperation and strengthen international partnerships with reputable educational institutions, Al-Mustaqbal University participated in the sixth regular meeting of the Board of Directors of the Eurasian Universities Union (EURAS), held virtually via videoconference. The meeting was chaired by Professor Dr. Mustafa Aydin, President of Istanbul Aydin University and Chairman of the Union's Board of Directors, with the participation of several presidents and representatives of member universities.

The meeting addressed several key topics, most notably reviewing the implementation of the resolutions of the previous meeting, exploring ways to further develop cooperation mechanisms among member universities, and reviewing the activities of specialized committees and platforms, particularly those focusing on scientific research, sustainability, student exchange, and the expansion of international partnerships.

The meeting also highlighted the recently launched NextGen Students Platform, for which a representative of Al-Mustaqbal University was selected to serve as a member of its Board of Directors. The Board comprises nine distinguished members representing selected universities from among the Union's membership of more than 150 universities.

3- AI-Mustaqbal University participates in EURIE in Istanbul for international academic cooperation.

EURIE is the premier international education event in the Eurasian region, bringing together key stakeholders from the dynamic higher education sector across Eurasia and beyond. This summit will gather up to 2,000 international education professionals , including senior academic leaders, international office directors, Erasmus coordinators, international marketing and admissions staff, representatives from ed-tech companies, education abroad consultants, and public authorities.

In its ongoing pursuit of international recognition, AI-Mustaqbal University participated in the 10th Annual Euro-Asian Universities Forum (EURIE) with a high-level delegation headed by Professor Dr. Hasan Shakir Majdi, President of the University, and including Professor Dr. Abbas Al-Bawi, Vice President for Scientific Affairs, and Dr. Samir Ibrahim, Director of the International Relations Department. The forum was inaugurated in the Central Conference Hall in Istanbul, with a large official and academic presence

4- As part of Al-Mustaqbal University's commitment to strengthening partnerships with international academic institutions to achieve the Sustainable Development Goals, and on the sidelines of the Annual Conference of the Union for the Mediterranean Universities, key topics related to sustainable development were discussed with the Assistant President of Istanbul Aydın University.

During the meeting, both sides discussed enhancing areas of cooperation between the two universities in light of the Memorandum of Understanding previously signed between them, which includes the activation of joint research groups, the organization of scientific conferences and student activities, and benefiting from Istanbul Aydın University's experience in implementing the Bologna Process.

On the sidelines of the conference, two bilateral cooperation agreements were signed — the first with the University of Aden in Yemen, and the second with the University of Bani Walid in Libya.

These cooperation agreements encompass a number of areas of mutual interest aimed at advancing the achievement of the Sustainable Development Goals (SDGs.(
